Workshop mit Nimrod Eisenberg

Hi my name is Nimrod and for me Clowning is an art of emotional communication without words that brings people together to share what is special about every person and what is similar about all of us. It's a way of natural humor of behavior and reactions that comforts and unite us from troubles and sadness. In movement and thoughts, in body and language, the most special thing I have is just being myself very much and it helps other people be the same. That's why it's so special. This workshop is time to re-search authentic playfulness and self-expression to find your unique voice through special games and ordinary moments.

Termin: Do 09. Mai 2024 - So 12. Mai 2024, 10-17 Uhr

Kosten: 360 Euro

Der Workshop wird in einfacher englischer Sprache sein, Übersetzung möglich.
